WELCOME TO DENNIS!

Dennis is seven miles tall and, on average, three miles wide and sits right in the middle of the Cape. The town goes from Cape Cod Bay in the north to Nantucket Sound in the south. It extends from the east bank of Bass River to beyond Swan Pond River. You can’t get to the lower Cape without spending a few minutes in Dennis on Route 6, the Mid-Cape Highway, or a bit longer on the King’s Highway, Route 6A in the north or Route 28 in the south. North-south running Route 134 splits the town right down the middle.

But don’t pass through Dennis. Stop, stay and play in one of the most iconic Cape towns. We have arguably the best beaches on the Cape such as in West Dennis. Where else can you drive almost right up to your beach umbrella on a hard surface road. In the north there is Mayflower beach, renowned for its kid-friendly shallows and pools and warm Cape Cod Bay waters.

We have two great harbors, Bass River in the south, a very popular waterway that we share with another Town, and Sesuit Harbor in the north, wholly owned and operated by Denniseans. We also have two golf courses operated by the Town, the Pines and Highlands with its newly renovated club house.

We have lots of rooms, condos, cottages and homes for rent or purchase at all price points, depending on your budget and your planned length of stay--many of them are on the ocean, lakes or rivers. There are a great variety of places to eat, from clam shacks to gourmet sit-downs with premier service and everything in between. Take out is available almost everywhere. We even have the only gas station with its well-stocked store offering a wide variety of products that’s open 24 hours a day for when you have that middle-of-the-night snack craving that just won’t be denied.

You will also find the year round and seasonal residents a friendly bunch as we recognize that our economy is dependent on visitors such as yourself. We make it our business to offer you the goods and services you need or want to help make your vacation stay as wonderful as possible. This includes our award-winning Police Department that is committed to serve and to respect people who live, visit or work in the Town of Dennis. Our Chief and his officers help make Dennis the perfect place for singles, couples, families and groups to come to enjoy the surf, the sand and the sun that we are blest with.

“Best Fried Clams Gold & Seafood Restaurant Silver”
Cape Cod Life 2017
Residents and visitors alike in Dennis on the Cape have a summer fling with eating lobsters, whole, mixed in or on a roll. We even have a boat in Sesuit Harbor named Lobster Roll, which will take you into Cape Cod Bay where you can enjoy a lobster roll or other treat at sea. Many land-based eateries also have lobster in their name, a not so subtle hint at what you’ll find there.

The daily newspaper even shows us the prices per pound for the little beasts from time to time, current, last week, last year, as they do prices for a gallon of precious gas for our cars or cod for scrod.

Many restaurants don’t post their prices for lobster. In the price column is the word, “Market.” You already know it’s expensive sea meat. If you have to ask how much when you see that m-word, does that mean you shouldn’t be buying it?
The Dennis area offers a wide range of accommodations from full service waterfront resorts, to B&Bs, to quaint colonial-style inns. Consider renting one of the many cottages available if you plan to stay a week or more.

INDIAN LANDS & CONSERVATION TRAIL  
**Location:** 485 Main St., South Dennis.  
Parking to the right of the cemetery with the Cape Cod Rail Trail parking. The trail is a 1.3 mile loop trail along the Bass River.  
The Indian Lands, on 25 acres of woodland and marshes, today offers visitors access to a place where the Nobscusset Indians passed the winter months in comfortablewigwams, on the shores of Bass River, which offered shelter from the north winds, good water from springs, and plentiful fish and shellfish.  

FRESH POND CONSERVATION AREA & DOG PARK  
**Location:** The area consists of 27 acres acquired under the self-help program in 1968. It is 6/10 of a mile from the light at Upper County Road in Dennisport on Route 134 going south. Sign is green with white letters. There are two fenced-in areas for dogs to run. Trails 1-3 are usable. Trails 1 and 2 are below the parking space; Trail 3 is north from the parking space; Trail 4 and 5 are in disrepair.  
**Facilities:** Two picnic tables, two fireplaces and good parking. About half-way around the ponds, the Scouts made little handrails and bridges and cleared the land. There is also a launching area for small sail and row boats.  

WHITFIELD JOHNSON NATURE TRAIL  
**Location:** End of Forest Pines Drive off Route 134 in E. Dennis. It is a circular trail.  
**Approximate length:** ¼ mile.  
**Facilities:** None.  

JOHNNY KELLEY RECREATION AREA

**Facilities:** Ample parking, basketball court, ball field, Bocce court, pickle-ball, tennis courts, playground, handball court pavilion, and braille trail. Public bathrooms.  

Take a hike, enjoy some bird watching or simply take in the views.  

CROWE’S PASTURE  
**Location:** Off Route 6A by the Dennis/Brewster town line. Turn onto School Street, then take your first right on South Street to the end at Quivet Cemetery.  
**Approximate length:** One mile to Cape Cod Bay, then up the beach ¼ mile to a sign “Vehicle Trail” to return. About 2 ½ miles round trip.  
**Facilities:** None.  

SWAN POND OVERLOOK

CAPE COD RAIL TRAIL BIKE PATH  
**Location:** On Route 134 across from Hall Oil Company in S. Dennis; on the RR right-of-way. This extensive trail is a former railroad bed that begins in Dennis and stretches through several Cape towns. The trail extends eastward (approximately 24 miles) into Wellfleet. In 2017 a bridge over Route 134 extended the rail trail westward to Main Street, South Dennis and by late 2018 the trail will extend into Yarmouth via a bridge over the Bass River.  
**Approximate length:** It goes to Wellfleet, approximately 24 miles. It is marked by a brown and gold sign on Rte. 134.

CAPE COD WATERS

One of the best things about Dennis on the Cape is the water, especially the salt water. People come here to enjoy our access to the Bay, the Sound and the Atlantic Ocean, all filled with salt water from top to bottom. While there are some isolated freshwater ponds here and there and almost everywhere else around the Cape, a lot of our inland waters are tidal, filled and emptied by tidal estuaries that start and end at the ocean’s edge. The most prominent one in Dennis is Swan Pond, situated in the north of Dennis Port Village.

Scargo Lake at sixty acres is our largest freshwater kettle pond. It is just south of Route 6A and is accessible by two public beaches. It is also at the foot of Scargo Tower. When you are on top of the tower, all of Dennis and the rest of the peninsula that is Cape Cod is below you.
